

How to register on “The Circuit” and claim your defibrillator

Step One: Register on The Circuit at www.thecircuit.uk

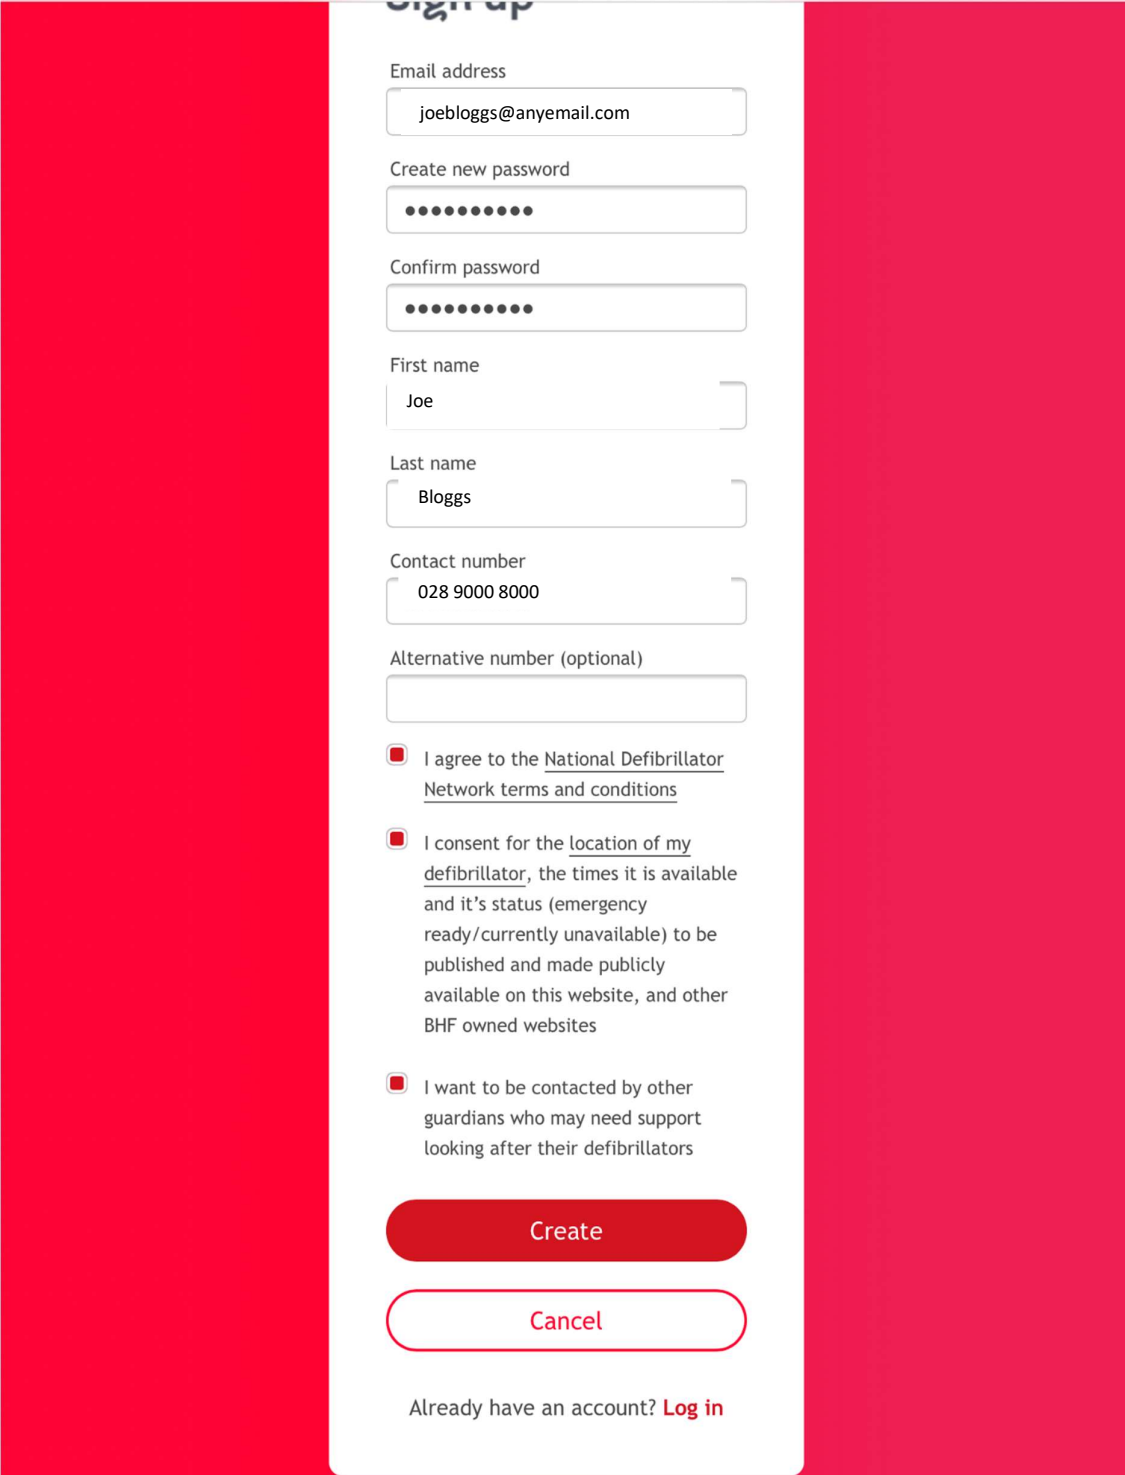

Please click on “**REGISTER YOUR DEFIBRILLATOR**” This will take you to a page that looks like the one below.

Decide which group best suits your needs, 5 AED's or less OR more than 5 AED's

This will take you to the page below.

How to register on “The Circuit” and claim your defibrillator

A registration form titled "Sign up" is centered on a white background, flanked by two vertical red bars. The form contains several input fields: "Email address" with the value "joebloggs@anyemail.com", "Create new password" and "Confirm password" both filled with ten black dots, "First name" with "Joe", "Last name" with "Bloggs", "Contact number" with "028 9000 8000", and an empty "Alternative number (optional)" field. Below these are three checkboxes, all of which are checked. The first checkbox is for agreeing to terms and conditions. The second checkbox is for consenting to the location and status of the defibrillator being published. The third checkbox is for wanting to be contacted by other guardians. At the bottom of the form are two buttons: a solid red "Create" button and a white "Cancel" button with a red border. Below the buttons is a link that says "Already have an account? Log in".

How to register on “The Circuit” and claim your defibrillator

Hello | Joe Bloggs

Welcome - we're so pleased that you and your defibrillator will be joining us on The Circuit - the national defibrillator network.

To activate your account, we need you to click on the link below to verify that it's you.

Please note this link is only valid for 30 days.

If you have problems with accessing the link above, please try direct URL below:

<https://www.thecircuit.uk/account/verifyaccount?token=f7kzsg5mg8xxkjzrwzdugu1pi36dcury5s17s13x847neesdrdeo>

Thank you.

A few things you should know...

When you create an account, we will process your personal information as described in our [Privacy Policy](#). This will include storing information like your name, email address and telephone number for the purposes of providing this service and administering your account. We will also store information on the network when you submit information to it e.g. defibrillator status.

In addition, we will also carry out the following data processing activity:

UK Ambulance Service Providers may wish to contact you by email regarding the status of your defibrillator device. We will only share your personal information with the UK Ambulance Service Provider responsible for providing emergency services for the area in which your defibrillator is located.

We will periodically contact you through the email address you used to register an account with us for the purposes of reminders and notifications regarding the requirement to carry out status checks of the defibrillator you have registered.

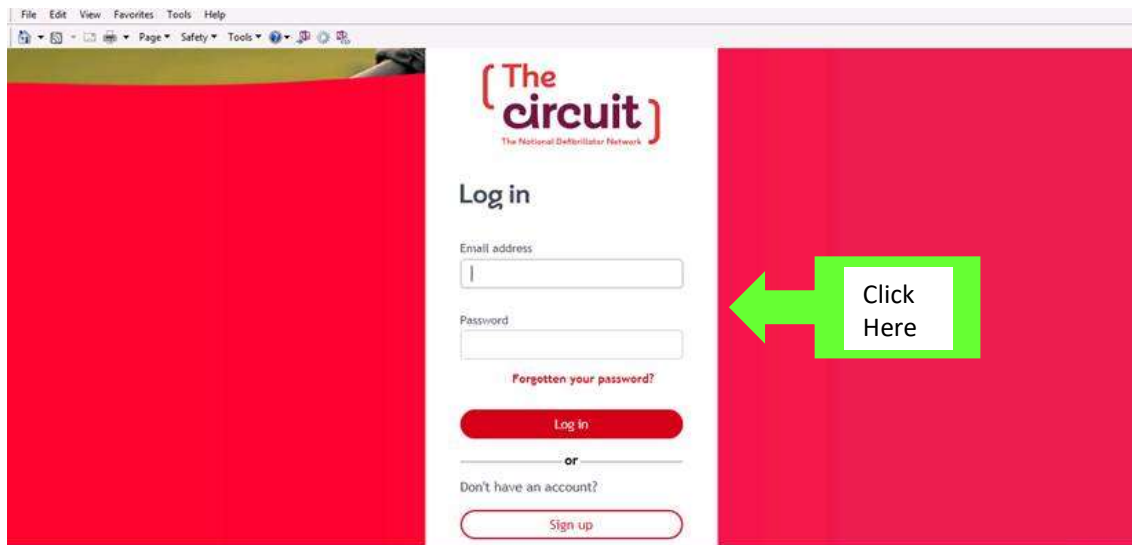

Once you have verified your email address you can now go back and **LOG IN** to The Circuit.

How to register on “The Circuit” and claim your defibrillator

Step 2: Logging in to The Circuit at www.thecircuit.uk

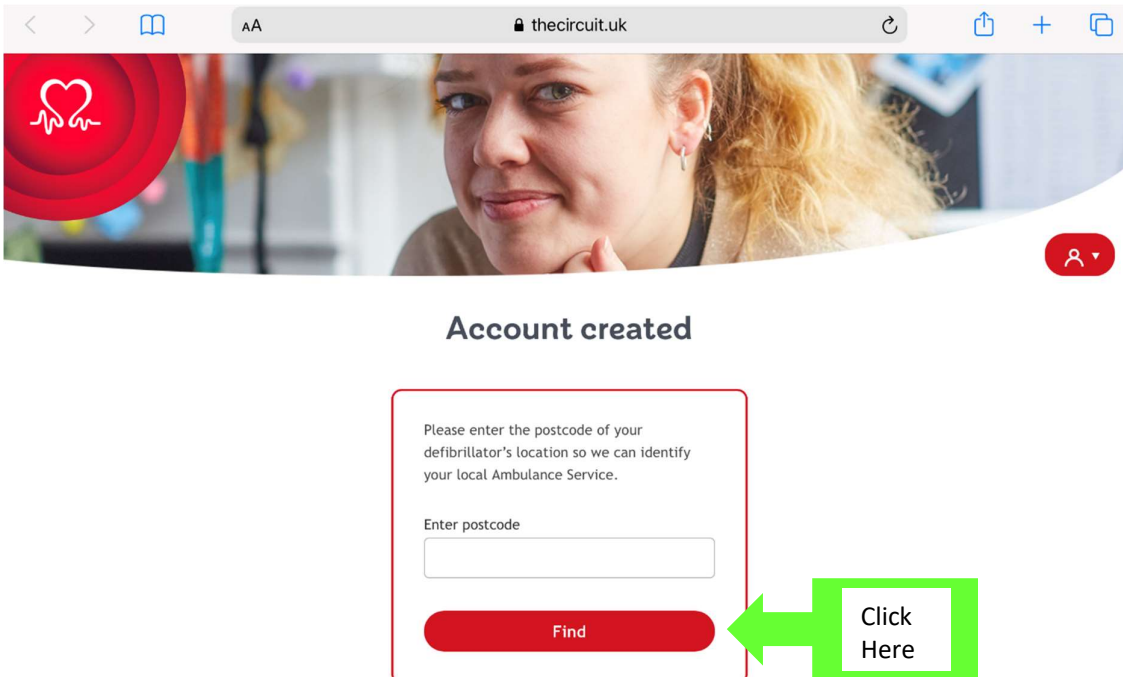

At the next page enter the email address and password that you registered with.

This will bring you to a page requesting the postcode of the defibrillator you want to **register OR claim**.

How to register on “The Circuit” and claim your defibrillator

The screenshot shows a mobile browser interface for the website thecircuit.uk. The page title is "Register a defibrillator". A sidebar on the left contains links: "My defibrillators", "Upcoming actions", "My invitations", "About The Circuit", "FAQs", and "Contact us". A modal box titled "Important information" is overlaid on the page, containing a "Covid-19 update" section. The update text advises that if self-isolating, users should not leave the house to check the defibrillator but instead ask a friend or neighbour. It also thanks users for their community contribution and asks them to follow government advice. A link for "Further information" points to the FAQs. A red "Continue" button is at the bottom of the modal. A green arrow points from a box labeled "Click Here" to the "Continue" button. Below the modal, the registration form is partially visible, showing fields for "Address line 3", "City/town*", "County", and "Postcode*".

Important information

Covid-19 update

If you are self-isolating or have been advised by the NHS to remain indoors please do not leave the house to check the defibrillator. Instead, it is advisable to ask a friend or a neighbour to do so. If this is not possible please do not worry about it.

Thank you for all you are doing for your local community but please follow the government advice and do not put yourself at unnecessary risk.

How to register on “The Circuit” and claim your defibrillator

You can now set up the exact times that your defibrillator is available, however we recommend that this should be 24/7 where possible.

If your defibrillator is in a locked cabinet please ensure the access code is correct.

The screenshot shows a mobile app interface for 'theircuit.uk'. At the top, a status bar shows 'Mail 11:36 Mon 12 Oct' and a battery level of 26%. Below the status bar, a navigation menu on the left lists 'About The Circuit', 'FAQs', and 'Contact us'. The main content area is titled 'Access' and features a progress bar at the top with three steps: '1 Location', '2 Details', and '3 Access' (the current step). The 'Access' section includes the following fields and options:

- Is it in a locked cabinet?** with radio buttons for 'No' and 'Yes' (selected).
- Please provide the pin number** with a text input field containing 'C1368Y'.
- Cabinet PIN*** with a text input field containing 'C1368Y'.
- Public restriction** with an information icon.
- Access type** with radio buttons for 'Public' (selected) and 'Restricted'.
- When is the defibrillator accessible?** with radio buttons for '24 hours, 7 days per week' (selected) and 'Not always accessible'.
- A note: 'A defibrillator is most effective when it is always accessible. If possible please locate it where it is always available.'
- A red button labeled 'Set accessible times'.
- Accessible dates** with a date range input field showing '12 Oct 2020 - 12 Oct 2025' and an 'Edit' link.
- A note: 'No Day/Time intervals were entered. This makes the defibrillator available every day for 24 hours'.
- A note: '* - Mandatory fields'.
- Two red buttons at the bottom: 'Register' and 'Cancel'.
- A 'Back' link at the very bottom.

When you have completed this please click REGISTER...and you are finished!
Thank you for being a part of a **#Community of Lifesavers**.

How to register on “The Circuit” and claim your defibrillator

Guardians can change their personal details on the Circuit by logging in and click on the icon in image 1 below.

The only way to change email addresses is to use the **Transfer defibrillator** functionality. This can be found by clicking **Ask for support** tab.

Image 1

The screenshot displays the user interface of 'The Circuit' application. At the top, there is a header with a user profile picture and a dropdown menu containing 'Edit Profile', 'Reset Password', 'Delete your account', and 'Sign out'. Below the header, the 'Upcoming actions' section prompts the user to update outstanding actions to prevent their defibrillator from being unavailable. The main content area is divided into two sections: 'My defibrillators' and 'Ask for support'.
